

RELIEF CARGO DROP-OFF STATION

AmericasRelief and Development Team is happy to announce:

The Laparkan's Emergency Response Center

A humanitarian relief and long-term development staging facility for nonprofit organizations; the warehouse is used to pre-position disaster items that would be shipped in advance of an approaching Atlantic storm, or immediately after a natural disaster. Warehousing will be provided at no cost to the users. The center can also be used as a drop-off facility to collect donations.

Final Destination Loading Rates apply as follows:
